 - 3. Overlapping city/county zones; but not overlapping county zones.
- B. Commissioners Court must designate a Reinvestment Zone as a required part of the Tax Abatement process for property not already located in a Reinvestment Zone.

- C. Inquiries regarding Reinvestment Zones should be referred to the County Attorney's Office. Creation of Zones will require coordination with the County Judge's Office for public notice, hearings and orders for submission to Commissioners Court. At a minimum, the Applicant shall provide copies of the map and legal description (metes and bounds) of the property and the CAD data or a shape file with the boundaries of the proposed zone.

However, the County may assign different percentages of Abatement per project by the same Owner within the Zone.²
 - 2. Incremental Incentives: Any owner of property applying for Tax Abatement in a County created Reinvestment Zone may negotiate up to three additional percentage points to be added to the base Abatement percentage established for the Zone as a condition of agreeing to following business practices that have been determined to be of significant social value to the area in which the project will be located. Such an incentive must be clearly articulated in the Agreement and state with specificity the requirements that

² An example could be that all property owners shall receive 45% Abatement for a first project, 55% on a second project, etc. This reflects the same value per owner but different percentage per number of projects.

must be met in order to capture the incremental incentive as well as articulate what documentation will be required to verify compliance.

- E. Reinvestment Zone Creation Orders shall comply with the requirements of the Tax Code and shall set out the abatement percentage established for the Zone. In the event that a Property Owner receives abatement on additional projects in the Zone, the Order shall be appended to reflect a schedule of percentages that will likewise be available to other Abatees in the Zone.
- F. Having property located in a Reinvestment Zone does not result in a tax Abatement unless and until a property owner has executed an Abatement Agreement with the County.

- B. An Abatee seeking Amendment to an Executed Agreement shall attend the meeting in which the item will be considered and be available to address the Court. Amendments will be approved only by a four-fifths vote of the Commissioners Court.

No assignment or transfer shall be approved if the parties to the existing Agreement, the new owner or new lessee are liable to any jurisdiction for outstanding taxes or other obligations. Approval shall not be unreasonably withheld. Assignee must swear and affirm in the Amendment that they are not in default with any taxing jurisdiction in the State of Texas.

In the event that the owner of such a facility fails to begin operation with the minimum number of permanent jobs by the next January 1st, the County may terminate the tax Abatement Agreement. If the County sends Abatee notice of cancellation, all abated taxes must be recaptured and paid within sixty (60) days of such termination. Abatement Agreement. If the County sends Abatee notice of cancellation, all abated taxes shall be recaptured and paid within sixty (60) days of such termination.
