## Independent Auditors' Report

The Board of Trustees  
Texas County & District Retirement System:

We have audited the fiduciary net position as of December 31, 2020, and the changes in fiduciary net position for the year then ended, included in the accompanying Schedule of Changes in Fiduciary Net Position by Employer (Schedule) of the Texas County & District Retirement System (TCDRS), and the related notes.

### *Management's Responsibility for the Schedule*

Management is responsible for the preparation and fair presentation of the Schedule in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedule that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on the fiduciary net position and the changes in fiduciary net position included in the Schedule based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the fiduciary net position and the changes in fiduciary net position included in the Schedule are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the fiduciary net position and the changes in fiduciary net position included in the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the fiduciary net position and the changes in fiduciary net position included in the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the fiduciary net position and the changes in fiduciary net position included in the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the Schedule referred to above presents fairly, in all material respects, the fiduciary net position of the Texas County & District Retirement System as of December 31, 2020, and the changes in fiduciary net position for the year then ended, in accordance with U.S. generally accepted accounting principles.

KPMG LLP, a Delaware limited liability partnership and a member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

*Other Matters*

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the Texas County & District Retirement System as of and for the year ended December 31, 2020, and our report thereon, dated June 4, 2021 expressed an unmodified opinion on those financial statements.

Our audit of the financial statements of the Texas County & District Retirement System was conducted for the purpose of forming an opinion on the financial statements as a whole. The individual employer information presented in each of the individual columns of the accompanying Schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements. The individual employer information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Each column of the individual employer information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the individual employer information presented in each individual column of the accompanying Schedule is fairly stated, in all material respects, in relation to the financial statements of the Texas County & District Retirement System as a whole. We do not express an opinion on the fiduciary net position or changes in fiduciary net position of each individual employer.

*Restriction on Use*

Our report is intended solely for the information and use of the Texas County & District Retirement System Board of Trustees, management, participating employers and their auditors, and is not intended to be and should not be used by anyone other than these specified parties.

### Background and Reporting Entity

The Texas County & District Retirement System (TCDRS or system) was created in 1967 by the Texas Legislature. The system partners with Texas counties and districts to provide their employees with retirement, disability and survivor benefits as an agent multiple-employer defined benefit pension plan. TCDRS is governed by the Texas Legislature and overseen by an independent board of trustees, which is responsible for the administration of the system. TCDRS issues a publicly available Comprehensive Annual Financial Report (CAFR), which includes financial statements, notes and required supplementary information, which can be obtained at TCDRS, Finance Division, Barton Oaks Plaza IV Ste. 500, 901 S. MoPac Expy., Austin, Texas 78746 or at [www.TCDRS.org](http://www.TCDRS.org).

### Pension Trust Fund Description

**Benefits** — A percentage of each employee's paycheck is deposited into his or her TCDRS account. That percentage (from 4% to 7%) is set by the employer. The employer selects a matching rate — at least "dollar for dollar," up to \$2.50 per \$1.00 in the employee's account. At retirement, the employee's account balance is combined with employer matching and converted into a lifetime monthly benefit. When an employee is vested, he or she has the right to a monthly benefit, which includes employer matching, at age 60 or older. Retirees elect to receive their lifetime benefit by choosing one of seven actuarially equivalent payment options. In addition, an employer may choose to adopt a cost-of-living adjustment (COLA) for its retirees.

**Contributions** — The deposit rate for employees is 4%, 5%, 6% or 7% of compensation, as adopted by the employer's governing body. Participating employers are required to contribute at actuarially determined rates, which are determined annually. Employers have the option of paying more than the required contribution rate each year.

### Basis of Presentation and Accounting

The schedule of changes in fiduciary net position (the Schedule) has been prepared on the accrual basis of accounting based on the provisions of *Governmental Accounting Standards Board Statement No. 67, Financial Reporting for Pension Plans* (GASB Statement No. 67). A separate row has been included for each participating employer's separate account.

**Contributions** — The employer contributions and employee contributions are recognized in the period that the employer reports compensation of the employee, which is when the contributions are legally due.

**Investment income (allocation)** — Net investment results are allocated to each employer based on an annual rate of 7%, as specified in the TCDRS Act for member accounts and the retiree fund, a discretionary allocation to the employer fund approved by the TCDRS Board of Trustees, and amounts related to the allocation of system-wide pooled contingency funds.

**Benefit Payments** — Benefits paid and withdrawals are recorded when payable.

**Administrative expenses and other (allocation)** — The administrative expense and other amounts are allocated to each employer based on the average of fund balances before the allocation of system-wide pooled contingency funds.

**Fiduciary net position** — This represents the total assets, plus deferred outflows of resources, minus liabilities, minus deferred inflows of resources measured in accordance with GASB Statement No. 67. The individual elements of the Pension Trust Fund as a whole are included in the Statement of Net Position in TCDRS' separately issued CAFR.

**Use of estimates** — Management of TCDRS has made some estimates and assumptions relating to the reporting in the Schedule in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.
