Please refer to the Actuarial Glossary for additional information on the terms used above.

\* The funded ratio assumes on-going TCDRS plan participation. The funded ratio does not represent the financial status for a terminating plan.

\*\* This is the period it would take for the UAAL to be fully paid down assuming the required rate shown is paid each year in the future and all future experience emerges exactly as assumed.

\*\*\* 2017 rates assume you do not make any plan changes and that you continue your elected rate, if any, currently in effect for 2016.

\*\*\*\* These rates reflect plan changes effective Jan. 1, 2016.
